

## PRECIOUS CHILD

*"I see the seeking you do, My child. I'm drawing closer to you, My child.  
Time in the desert made your tender heart turn to Me  
And you found I'm a moment a-way from you!  
Child I re-joice that you made your own choice  
And you chose to come back and be-long to Me!!!"*

*"I see the battle in-side of you. I know you're wounded, but you'll pull through!  
You've got a Daddy, Who's also a Doctor, Who's also a Savior, Who's also your Friend!  
And He smiles at the sight of you, He's gonna fight for you!  
Rest in the arms of My Love, Pre-cious Child!"*
