

# THE LIGHTHOUSE

C-FM7-C-FM7

C Em F C  
I saw the weather be-ginning to change,  
C Em F G  
The clouds got real dark and the sky filled with rain.  
G7 C Em F C  
I should have pulled in my sail and headed for home,  
F C G G7  
I thought I was strong enough to face the storm a-lone.

C Em F C  
The wind picked up strength, ripped the sail from the mast!  
C Em F G  
The waves came in crashing, my boat filled up fast!  
G7 C Em F C  
I knew I needed to turn back to the safety I'd known  
F C G G7 F C  
But how in this darkness could I ever find home? could I ever find home?

Dm Am  
Suddenly a Light came shining through that dark night,  
Dm Am  
I stood there staring not be-lieving my eyes!  
Dm  
Could it be a Lighthouse out there?  
Am  
Could it be that Someone out there  
F  
Could see the trouble I'd gotten myself in?  
E E7 C FM7 C FM7  
I headed for the Light, just like a Close Friend!

*C* *Em* *F* *C*  
As fast as it started, well the wind all but died  
*C* *Em* *F* *G*  
The rain it all stopped and I started to cry  
*G7* *C* *Em* *F* *C*  
I could see that the keeper had been waiting out-side  
*F* *C* *G* *A* *A7*  
A smile on His wet face and His arms open wide!

*D* *F#m* *G* *D*  
I jumped from the boat, swam hard for the shore  
*D* *F#m* *G* *A*  
I never en-joyed seeing anyone more!  
*A7* *D* *F#m* *G* *D*  
He held me tight gave me warm clothes, hot dinner in bed  
*G* *D* *A* *A7*  
And sang me to sleep with His lap beneath my head

*D* *A* *G* *A* *A7*  
He said: I'll be your Lighthouse when life rains on you  
*D* *F#m* *G* *A*  
When even your good days find you sand and blue  
*G* *A* *F#m-Bm* *G* *A* *A7-D*  
All through your ups and your downs, I'll always be a-----round
